What will a normal school day look like?

Teachers & student support personnel will be working from school buildings and will provide instruction and support to students virtually throughout the school day.

Students will log in to a device for instruction. Printed packages and videos may be provided as additional learning materials.

All core subjects including religion will be taught daily.
**Your child's school will provide details regarding option classes and schedule modifications.*

Students are expected to connect with their teacher at the beginning of every class unless otherwise arranged.

Borrow a Chromebook from school

Division Chromebooks will be available to sign out for online learning. Contact your child's school for more information.

Purchasing your own device plan

MHCBE and Staples have teamed up to offer competitive pricing and financing options for student owned Chromebooks. If you wish to purchase a Chromebook for your child visit or contact Staples.
