“Masterclasses: The Morley Buck School of Serious Acting for Extraordinary Actors” by Patrick Greene

“Acting. Is. Life. If you are going to be a student at The Morley Buck School of Serious Acting for Extraordinary Actors, you need to commit to your craft. But acting isn't all soliloquies and dramatic scenes; to be a true Actor (with a capital "A") you need to perfect moments such as being Startled Awake, Underwater Thinking, or being hit by a laser B.E.A.M. These are just some of the hyper-specific classes that Morley and his eccentric faculty teach at their unorthodox academy.”
